

## Internet Radio Linking Project (IRLP) Wiki

Keeping the Radio in Amateur Radio

### IRLP Compatible USB Sound Cards

The following is a user generated list of compatible sound cards for use with IRLP.

Please feel free to add more to this list by editing this page. Just copy the format from another user, and paste it in and populate with your own information. When adding additional cards, please be sure to populate as much information as possible.

Manufacturer	Model Number	Chipset	Comments	Submitted by	Picture/Link
Syba	SD-CM-AUD	CMedia CM119	Suggested model for PiRLP	VE7LTD	<a href="#">syba-sd-cm-aud.jpg</a>
